About the Conference

ABSRC is an important international gathering of business and business-related sciences scholars and educators. The theme for ABSRC 2027 will be "*Future-ready professionals: skills, talent, and the evolution of work*". One of the outcomes of the conference will be a scientific monograph, which will be published after the conference.

Publishing opportunities

All selected abstracts will be published in the **ABSRC 2027 Proceedings**. The best papers will be selected through peer review and published in a **scientific monograph** after the conference.

Topics

Topics of interest include, but are not limited to, the following:

- The future of work and new organisational models
- Developing skills and competencies for the 2030s
- Strategic talent management and leadership
- AI, digital transformation, and professional evolution
- Sustainability, green skills, and corporate responsibility
- Employee well-being and quality of life in the digital age
- Entrepreneurship and innovation in changing markets
- Global economic trends and the future labour market

Conference Chair

Ajda Fošner, GEA College, Ljubljana, Slovenia

Submission Guidelines

Authors should submit abstracts by **February 15, 2027**. Submissions of papers (non-obligatory) will be accepted until **March 10, 2027**. All submissions must be entirely original, not previously published, and must not be under concurrent consideration or scheduled for presentation elsewhere. All abstracts/papers must be submitted online: <https://gea-college.si/en/absrc-2/>

Abstract submissions should include a Title, Authors (names, affiliations, e-mails of all authors and a notation (*) of the corresponding author), an Abstract (no more than 150 words) and 3-5 Keywords. Paper submissions should not exceed 12 pages, including the Abstract, text body (Introduction, Theory, Methods, Findings, Discussion, Conclusions and Implications), Tables, Figures and References.

All submissions will be reviewed. Selection for inclusion in the conference program will be based upon quality, originality, and relevance, in the judgment of the review process. Specific formatting requirements are provided in the abstract/paper layout section.
